

Biosecurity Control Order

This biosecurity control order is made in accordance with
s.353 of the Biosecurity Act 2015

Period during which this order is in force: From: _____ To: _____

Description of goods/conveyance/premises	Number/weight of goods	Origin of goods/conveyance

Location of goods /conveyance/premises (if different from above)

Specify each pests and/or diseases that poses an unacceptable level of biosecurity risk that has been identified

Specify the nature of biosecurity risk that needs to be managed

Biosecurity risk assessment powers that may be exercised in relation to the goods/premises/conveyance to which this order relates:	Powers to require biosecurity measures to be taken that may be exercised in relation to the goods/conveyance/premises to which this order relates:
<input type="checkbox"/> Give direction to secure goods or conveyance (s.317)	<input type="checkbox"/> Entry and exit requirements – persons (s.333)
<input type="checkbox"/> Inspect and take samples of goods or premises (s.318)	<input type="checkbox"/> Entry and exit requirements – goods/conveyances (s.334)
<input type="checkbox"/> Ask questions about goods or premises (s.319)	<input type="checkbox"/> Treat goods (s.335)
<input type="checkbox"/> Require production of documents relating to goods or premises (s.320)	<input type="checkbox"/> Treat goods (s.335)
<input type="checkbox"/> Movement of goods or conveyance (s.321)	<input type="checkbox"/> Treat premises (s.339)
<input type="checkbox"/> Affix notice to goods or conveyance (s.322)	<input type="checkbox"/> Treatment that may damage goods (s.336)
<input type="checkbox"/> Operate electronic equipment on premises (s. 324)	<input type="checkbox"/> Treatment that may damage conveyance (s.338)
<input type="checkbox"/> Expert assistance to operate electronic equipment on premises (s. 325)	<input type="checkbox"/> Treatment that may damage premises (s.340)
	<input type="checkbox"/> Export goods/conveyance (s.78 Biosecurity Regulations 2016)
	<input type="checkbox"/> Destroy goods (s.342)
	<input type="checkbox"/> Destroy conveyance (s.343)
	<input type="checkbox"/> Destroy premises (s.344)

A biosecurity officer suspects, on reasonable grounds, that a disease or pest may be present in or on the goods/conveyance/premises to which this order relates, and the disease or pest poses an unacceptable level of biosecurity risk.
I am satisfied that biosecurity measures need to be taken in relation to the goods/conveyance/premises to which this order relates for the purpose of managing the biosecurity risk posed by the pest/s and/or disease/s specified in the order.
I am satisfied that the exercise of each power specified in this order in relation to the goods/conveyance/premises and diseases/pests to which this order relates is appropriate and adapted for the purpose of managing the biosecurity risk posed by the diseases/pests:
